

LONGHILL HIGH SCHOOL
Home/School Partnership Agreement

If the school and the home work well together, this has a great impact on the success of students. We – the School, the Family and the Student – all want the same thing: success and happiness for our young people in a safe and caring environment. We need to recognise that we must build a relationship with all the other partners, based on trust and respect.

We all – students, parents/carers and the School – agree that we will do these things:

- *We will listen to others and respect their views*
- *We will treat each other fairly and with respect, even in difficult situations*
- *We will work together for the benefit of all students*
- *We will offer each other help, support and guidance as appropriate*
- *We will try to make all of our relationships positive ones*

We – the students – also agree to do these things:

- *We will take full responsibility to be the best we can*
- *We will behave well and follow the School Code of Conduct*
- *We will all join in fully in student activities*
- *We will care for others and encourage their development*
- *We will work to make the school a place where everyone can learn*

We – the parents/carers – also agree to do these things:

- *We will make sure that our children go to school regularly and arrive on time*
- *We will encourage our children to follow the School Code of Conduct*
- *We will keep lines of communication open and meaningful*
- *We will represent our children's views to the school*

We – the School – also agree to do these things:

- *We will aim to provide the best learning opportunities for our students*
- *We will encourage our students to take responsibility for their learning*
- *We will communicate openly and meaningfully with parents/carers*
- *We will provide a safe and caring learning environment*
- *We will reward and celebrate the achievements of our students*
