PIC-COLLAGE

Hello from the Headteacher

What a great start to the year, with our students looking incredibly smart in their new uniforms and everyone ready to work hard and make the most of all the opportunities on offer to them.

We were absolutely delighted to welcome so many parents and children to our Open Evening at the end of September. Staff and students all worked extremely hard to show what wonderful things we do here at Longhill and the positive response we've received has been fantastic.

We have some pictures in this issue to give you a flavour of the evening, which included hair-raising scientific experiments, pizza-making, robot driving and Shakespearean insults to name but a few!

We hope that those of you who came to our Open Evening enjoyed your glimpse into life at Longhill High School, but if we can answer any questions that you may still have, please email us at admin@longhill.org.uk or call us on 01273 304086. We would be pleased to help you.

It's been a very exciting half term, with an amazing trip for some of our Year 10 students who spent 10 days sailing on a tall ship. We've also had trips to the Earthship in Stanmer Park and to the Imperial War Museum in London, as well as other local trips to the coast and to the Grange Gallery in Rottingdean.

Our Languages department have also welcomed students from Barcelona, who have spent a month living locally and studying with us here at Longhill High. What a great opportunity to improve language skills for all the students involved, as well as building lasting friendships with children from a different culture.

Students have settled well and are working hard, so we wish everyone an enjoyable half term holiday as we trial the new two-week autumn break for the first time. See you on Monday 30th October.

Kate Williams
Headteacher

New Look and New Houses for Longhill High School

It's been all change at Longhill High School this term as students settle into school for an exciting new academic year.

Firstly, there's a brand new, super-smart uniform for students across the school. The stylish and practical uniform includes a navy blue blazer for boys and girls, which bears the traditional Sussex-themed Longhill High School crest. White shirts with collars will now be worn by all students, with a tie coloured to denote their year group. There are charcoal grey trousers, skirts and tailored shorts available to all students, giving them choice and flexibility when it comes to personal preferences and warmer weather.

Students are enthusiastic about the new uniform. "I wasn't sure at first about wearing a blazer, but I think it will be warmer for us in winter. I've never tied a tie before, but after a couple of tries it was easy and I think it looks good."

Headteacher Kate Williams explained, "We are keen to encourage a gender-neutral uniform, which promotes and inspires pride and commitment to something greater than oneself. Longhill High school is on a journey of improvement and this is just one small part of the journey."

Not only is every student in a brand new uniform, but every student will also be part of a brand new House system in the school too.

Kate Williams told us, "Longhill High School is extremely fortunate to have such a fabulous location, situated as we are between the Downs and the sea on the edge of Brighton and Hove. We felt that the diversity and vibrancy of the City, which has such a rich history, should be reflected in our formulation of a new House system."

She went on to explain, "We will have 8 mentor groups, each of which is identified by a year and a letter, spelling out the word BRIGHTON. These mentor groups are then divided into four Houses which are named Brighton Pavilion, Brighton Lanes, Brighton Dome and Brighton Pier. We feel sure that students and staff will be able to identify with these iconic local landmarks."

"We are extremely keen for our students to take a pride in their City and they have already been involved in the formulation of this new system by helping to design the new House logos. It's a very exciting time for us here at Longhill High and we are all looking forward to a fantastic year ahead."

News from the Houses – Dome, Lanes, Pier & Pavilion

DOME

It has been a really positive start to the term in Dome House. I would like to thank all the students, staff and parents/carers for their 100% support. I have been really impressed with the number of students taking part in Sport, Music and Drama extra-curricular clubs - it has been brilliant! All the staff in Dome House are encouraging students be totally involved in school life, to develop potential and talent. Our House ethos is to celebrate achievements and successes of individuals and teams. At all times we will be encouraging students to work together as part of a team, whilst at the same time promoting leadership and creating an environment where there is an exchange of ideas. We will do our best to engage as many students as possible in inter-house competitions. Dome staff will be promoting values that centre round respect, students enjoying school life and promoting achievement in relation to their school studies. The future is exciting; there is great energy and enthusiasm in Dome House and I look forward to the participation of as many students as possible taking part in the House Photography Competition, the theme being "New Beginnings". We will also be supporting and leading a Children In Need Run in November.

Mr Rolf
Dome House Co-ordinator

LANES

Welcome to the first ever Lanes newsletter. This term has been full of new beginnings - new uniform, new Houses, new mentor groups. Lanes students have adapted brilliantly, with such a positive attitude - I couldn't be more proud.

Another first is the appointment of the Prefects and their role within the school. I would like to take this opportunity to congratulate Frankie White and Toby Cooper for becoming Lanes Prefects. They have already been doing a fantastic job representing Lanes House, as well as the school. Keep up the good work!

LONGHILL
HIGH SCHOOL

LANES PREFECT TEAM

LANES

This term we have also been choosing a new charity to sponsor; there have been three charities in the running and the winner will be announced after half term. So please make sure you get your votes in Lanes students.

I am excited and so looking forward to making Lanes House the most successful House out of the four new Houses and I can't wait to see what the new term will bring.

Have a safe, happy and well rested half term and I will see you all on 30th October.

Ms Rhodes
Lanes House Co-ordinator

PAVILION

I would like to give a warm welcome to all our Pavilion House students and staff. I am proud to be the Coordinator for Pavilion House and would like to introduce our eight prefects:

As Pavilion Coordinator I hope to instil pride and passion where our students and staff feel a sense of belonging within our Pavilion House family. We can all encourage each other in team spirit and engage in the inter-house side of Longhill from the classroom and beyond. There will be many inter-house events throughout the school year from all areas of school life enabling everyone to represent Pavilion House. Although staff facilitate the events our prefects will take a lead role in these. All students have the opportunity to earn house points and our running total will be updated weekly on our board.

Laura Howell
Yiling Looi
Hannah Mason-Goodrick
Jessy-Franck N'Sukama
Archie Redgrave
Alex Ridley
Aston Scott
Millie Whitfield

Our Pavilion motto is "Building the Extraordinary". This motto was designed by staff who work at the Royal Pavilion. We hope that in the future we can work together to show the community what we are doing as a school and share all our Pavilion News.

Our Charity is the 'Rockinghorse Appeal' and they are celebrating their 50th anniversary. To celebrate this they have launched the '**Sussex Giving for Sussex Children**' initiative. Their goal is to provide £500,000 worth of funding split between 10 admirable children's centres and paediatric services across Sussex.

Please let me know if you have any ideas for fundraising events so that we can start building funds for our local charity.

I am looking forward to the exciting times we have ahead this year!

Mrs Barnard
Pavilion House Co-ordinator

LONGHILL INTER HOUSE RETURNS!

WE START WITH DODGEBALL
NEW HOUSES & NEW TEAMMATES
MORE INFORMATION TO COME SOON!

PIER

Where have the last few weeks gone? We have had a brilliant start to the new academic year and all Pier students have been extremely positive and are wanting to get involved in the school community, which is wonderful to see.

Pier House have decided to support Brighton and Hove Young Carers again this year. Last year we raised £421.63 for the charity. We will be looking at lots of ways to raise money again for this amazing charity. If you have any ideas, please speak to Mrs Noble or any of the Pier Prefect Team.

Huge congratulations to Ben, Brad, Freya and Millie on becoming Pier Prefects. I am sure they will do a fantastic job.

Pier Prefect Team

Ben

Brad

Freya

Millie

After the huge success of inter-house competitions last year, inter-house returns again this year. It will be very exciting to see how Pier House performs in these events. Good Luck to all once we start.

I would like to wish all Pier House students and staff a fantastic half term break and I look forward to more exciting things happening in 2017/18!

Mrs Noble
Pier House Co-ordinator

House Photography Competition is launched!

The theme for this competition is 'New Beginnings'

All students (and staff) are invited to enter the House Photography Competition

Entries will be judged firstly by the House Coordinators and winners for each year will then be chosen by Ms K Williams, Head Teacher.

Get snapping!

Submissions via email to housecoordinators@longhill.org.uk by 9am on Monday 27th November 2017.

Coding – These Girls Can!

A collaboration between the Creativity & Enterprise faculty and the Higher Ability Pupil (HAP) team has led to a select group of Year 8 high flyers taking part in the 'Code Girls' programme at the Amex stadium. The 5-week scheme aims to encourage girls to consider careers in technology and computing.

Each week the girls take part in a workshop with industry professionals learning how to code, pitch website design ideas and how companies such as American Express generate income at a global level.

The trip has included a guided tour of the Amex stadium in pursuit of QR coding clues; a board meeting at the top of the American Express offices; an html coding tutorial and the meticulous dismantling of PCs.

The grand finale will take place this week as the Code Girls prepare for a media-focused session in Burgess Hill. Many of the team have expressed an interest in pursuing a GCSE in Computer Studies when they choose their options later this year. We hope the experience will help them make informed decisions for their options and will fuel their career aspirations for the future.

Maths Encourages Happy Learners

Ever wondered how to improve in maths? The old saying that "Practice makes the master" (Patrick Rothfuss) is so true here as well.

"Those who never fail never makes true progress" is the philosophy behind all we do in maths.

Our new Focus - the "FeedBackLoop" - is a clear layout of what we are planning to learn and includes rapid little tests to assess it as we go. Here we are given chances to show our new skills and immediately improve upon them. The outcomes will help to inform what we need to revise for our term papers.

So far the pupils from years 7 to 11 have all embraced the *Entry/Exit tickets* and *Improvement Tasks* that we have introduced. *Successful learners are happy learners.*

We were delighted to welcome so many visitors to the Maths faculty on Open Evening and thanks to all of you who entered our competition. We did have a winner, but he only left us his first name. Well done to Erik for choosing the smallest number that no one else had chosen.

Busy Start for the English Faculty

It has been a very busy start to the year in the Faculty of English.

In **English**, year 11 students have read J.B. Priestley's *An Inspector Calls* and are developing extended responses in terms of character and theme; they have also been running through practice papers and honing key skills in preparation for mocks later this term.

Year 10 students are embarking on an initial reading of Dickens' *A Christmas Carol* and have just completed a unit on language skills. Year 9, who have read Steinbeck's *Of Mice and Men*, are in the midst of a classroom-based assessment and will soon be engaging with a non-fiction mini-unit on themes related to the book: feminism, race and homelessness.

In years 7 and 8, students have already read a modern novel in class as part of our 'quick reads' scheme and will be assessed against GCSE objectives for the first time.

In the **Languages** department, Ms Stallard has led a highly successful visit by 40 Spanish students from a school near Barcelona. The students have integrated highly successfully into all aspects of Longhill High School life.

In **Media Studies**, year 9 students have been examining the way that Britain and the British are represented in the media here and abroad. The year 10s are getting to grips with a new, more academic, specification with a strong focus on the way that women are represented and the way this has changed over time. Year 11 students are researching and planning in readiness to create their own horror film trailers.

Spanish Students Settle into Brighton Life

A group of ten Spanish students, aged between 14 and 15, have just spent four weeks living and studying in Brighton, as part of an educational programme organised by UK High School Immersion. The Spanish boys and girls were 'buddied' with a group of language students from Longhill High School where they came to study every day. The students were immersed in all classes with their 'buddy', enabling them to be fully engaged in the learning taking place. This method of 'immersion' helped the Spanish students and their Longhill counterparts to practice their language skills as well as enabling them to form firm friendships over the four-week period.

The Spanish students were welcomed into the homes of local families in the area, where they enjoyed being treated as part of the family. "The family I stayed with were very friendly and the food was great." 14-year old Mireia told us. "I enjoyed being in Brighton and got to spend time in town and at the beach, which was fun." Ainoa, aged 15 added, "I did miss my family, being away from home, but I got to talk to them every day on Facetime. I'm going to miss the friends I've made so much when I go home – I will be coming back to Brighton for sure!"

As well as studying academic subjects during their time at Longhill, the Spanish students and their buddies got to spend time together taking part in some fun activities after school. They enjoyed a

drama workshop run by Ms Rhodes, a cookery session run by Mr Norris and a glass-blowing workshop run by Mr Dodd. All activities were overseen by Head of Languages, Ms Stallard and her team – so a big 'thank you' goes to all staff involved for their hard work in making the students' time here so rewarding.

We asked Year 10 student Kaia what she would remember most about the Spanish students' visit. "My lasting memory will be the friendship I've made with Ainoa. She is a funny, lovely girl – everything you could want from a friend." We asked whether they had things in common, "Yes we have lots in common. You might think the language barrier would prevent friendship, but it doesn't." Kaia added, "Although she's from a different culture, she's intelligent, understands what's happening and picks up on what you want to do. The friendship we have is worth keeping, so we will definitely stay in touch."

So, with mixed feelings, the Spanish students head back to Barcelona – excited to see their families after four weeks away from home, but sad to leave their new-found friends from Longhill High School.

Budding Artists Visit Local Gallery

Years 9 and 10 GCSE Art students visited The Grange Gallery in Rottingdean to take part in a workshop with landscape painter Raffaella Appleby. Students viewed the paintings with the artist and found out about the famous art dynasty that she is from; she is the great granddaughter of the Victorian artist, William Nicholson, who once had a studio at the Grange and granddaughter of Ben Nicholson, the British modernist.

The students then made their own responses to the work using oil and conte crayons. The painter was very impressed by our students' questions and by the quality of their work.

Does friendly competition exist?

PE teacher Ms Buxton is not one to rest during the summer holidays. This is her story. "During the summer holidays I was lucky enough to represent Great Britain at the European Masters Athletics Championships in Aarhus, Denmark. I competed in the heptathlon - the event Jessica Ennis-Hill used to compete in and I had competed against some of these ladies before.

I knew it was going to be a close competition between myself and a German competitor who I hadn't met before. I warmed up on the morning of my first event and was met with a massive 'hello' and embrace from the Swede in my event, who I had met at the *Indoors*. Shortly after that, I bumped into the two Italians who I knew and said hello.

As soon as it got to the start line of the hurdles that was it - we were there to perform and friendships were put aside. It was a great start for me and I won the race and was in the lead. During the day we helped each other with our high jump and congratulated each other on our performances. At the end of day one the German and I had won two events each but she was in the lead by 31 points - nothing in a heptathlon.

Day two started well as I closed the gap to 11 points. The javelin proved to be a great event for the German athlete, stretching her lead to 58 points. This meant that I needed to beat her in the last event, the 800m, by 6 seconds. I managed to win the race, but only by 2 seconds, putting me in second place. The competition was over and friendships renewed. We completed a lap of honour, collected our medals, exchanged contact details and said our goodbyes.

Since the event in July I have been in contact with my fellow German athlete and we hope to visit each other's home towns, showing friendships can be made during a competitive event. We may compete against each other in March next year, where we'll push each other to perform better, but also support one another as friends."

Fancy Some Fun and Adventure? Then Join Us for Year 8 Summer Camp!

Camp has been running for so many years it has become a 'rite of passage' for students. Once you have been to Camp and survived, you will have a wealth of stories and experiences that you will share with your school friends; the bonds you form with your year group are very clear - you will suddenly understand why the older years are so close - they have bonded through the experience (and weather!) of Camp.

Year 8 Camp helps to encourage maturity and a sense of responsibility, as Year 8s will be choosing their options and will start GCSEs in Year 9. The activities are all designed to promote teamwork, leadership, problem-solving, self-reliance and citizenship. Living together in the camp setting encourages tolerance and understanding, as well as fostering positive relationships between students and staff.

Activities include camping, abseiling/rock climbing, map reading, archery, zip wire, kayaking and many other fun, engaging and challenging opportunities.

The friendships you make at Camp with your peers and the bonds you make with staff, along with the experiences you all go through together, will last you through your school life and beyond.

The cost of Camp is £125 for 5 days, which includes all activities, transport and food – excellent value for an all-inclusive adventure break we think you'll agree!

All letters have been given out and are also on the parents' information portal. You must hand in your deposit, along with both the *Trip Confirmation Letter* and *Residential Behaviour Contract* by Friday 15th December at the latest.

If you have any queries, please don't hesitate to contact the school or me at ltester@longhill.org.uk

As a school, we expect to take all of Year 8 on camp and are looking forward to sharing this amazing opportunity. Thank you.

Mr L Tester, Year 8 Camp Lead

All Aboard for the Adventure of a Lifetime!

Twelve Year 10 students, along with geography teacher Hannah Seaby, recently completed what may just have been the trip of a lifetime aboard the tall ship, Stavros S Niarchos. Their adventure, sponsored by HSBC, was part of a programme run by the Tall Ships Youth Trust.

The students formed a vital part of the 68-person crew on-board ship, with all of them required to do 4-hour watches throughout every 24-hour period. "The hardest thing was staying awake on watch." said student Lillie-Mae Jones. "Especially when you're on the 4am watch. I was a bit seasick too, which wasn't very nice, but I soon got over that and had a fantastic time."

All the students had to take their turn working for a day in the Mess, which involved serving food to the whole ship's company and lots of washing up! Students also had to take their turn at cleaning corridors, showers and toilets every morning during the optimistically-named 'Happy Hour'.

Students learnt all the required skills, including steering the ship, bracing (turning) the sails, lookout duties and climbing the mast. We are delighted to say that all Longhill High School students climbed the mast – they are an adventurous crew! Student Marta Lopes, 14, even won an award for being the best climber. She told us, "It was so exciting at the top of the mast – like flying! I sang a song while I was up there too."

Once the weather improved, the Stavros set sail for Boulogne, in northern France, passing close by wind turbines on the way and giving everyone the opportunity to try out their new-found sailing skills. After a speedy visit to a French supermarket, it was time for everyone to get back on-board to resume their duties.

When a tall ship approaches port, it is guided in by a high-speed inflatable boat called a 'rib'. As the Stavros sailed up the Thames and prepared to dock at Tilbury, student George Boyland was lucky enough to be the student chosen to travel on the 'rib'. "It was amazing!" said George "and the driver went extra fast just for me as we guided the ship in."

As the Stavros made its way up the Thames, the highlight of the trip for many was sailing under Tower Bridge which was opened especially for them to pass through. "There were huge crowds of people watching us" said Marta, "It was so exciting!" Lillie-Mae added, "Once we were through Tower Bridge, we all took up our positions on the mast and sang a special song we wrote about the voyage and to say 'thank you' to HSBC."

When asked to sum up their voyage, students Owen Monckton and Ethan Gardhouse - who were awarded 'best lookout' certificates - told us, "It was an amazing experience and we would really recommend it to anyone who has the chance to go.

We've made some fantastic new friends from Longhill and from the other schools too." Fourteen year old Samuel Townsend added, "I feel much more confident now than I did before the trip and I feel much happier too. I've made some great friends and we will definitely keep in touch."

The Learning Resource Centre AKA—the Library

Borrow Books * Use the computers * Print Homework *

What's new this term in the Library?

We have some lovely new titles in the Library this term that we are certain your children will  reading!

New Year 9+ Fiction (Young Adult)

Our Young Adult fiction is for years 9, 10 and 11. We restrict these titles due to the themes and content, however many year 7 & 8 students do show an interest in borrowing these titles. We want to encourage **reading for pleasure** as much as possible, therefore if you feel your child is mature enough to deal with the stories and would like them to access all our resources, please ask them to pick up a permission slip from the Library and return it (signed by a parents or carer) to a member of staff.

Look out for more new books arriving soon...

Follow us on Twitter! <https://twitter.com/LonghillLibrary>

LONGHILL PE AND PERFORMING ARTS FACULTY NEWSLETTER

Welcome Back

We would just like to welcome you back to what we hope will be a very successful year for us here at Longhill High School. Huge congratulations to our GCSE PE and BTEC students who in the summer gained some excellent results – yes, it was great to see all of their hard work pay off! With the introduction of the new PE kit it has raised aspirations of the students within lessons and at clubs. This is a real positive and I am excited to see the developments over time.

We have entered into all local school competitions and I am looking forward to seeing our success over the year. All clubs are up and running and we are always looking for new players, so please speak to the PE Team for more information in regards to clubs and fixtures.

With the creation of new faculties, I am pleased to announce we will be sharing news across all departments in this newsletter. So make sure you keep updated and follow all information on our twitter page [@LonghillPE](#)

Boys Football #TeamPE

We have started the new season and all of the teams look strong. Training numbers have been good and students are up for the new season. We are entered into different competitions and I look forward to sharing the results with you all as time goes on. I believe this year will result in lots of trophies.

Please can I request that students have boots and shin pads for all training and matches?

Girls Football #TeamPE

We have joined forces with Brighton and Hove Football club who are delivering our girls football sessions. This is in conjunction with the premier league who are funding the process.

This is the second year of the programme and we are already seeing the benefits on the pitch We are looking forward to the season ahead!

Cheerleading #TeamPE

After a successful introduction to cheerleading last year we have fully introduced this club after school on a Thursday. It teaches students about teamwork, creativity, determination and flair. If you are interested please come and speak to the PE Team for more information.

Clubs @ Longhill

Please find all information about clubs on the main website

Girls Rugby #TeamPE

Brighton Schools Touch Rugby tournament

Longhill entered two teams into this tournament held at Brighton & Hove High School- Year 7 & 8/9. All girls played really well and improved their performance every game. The year 7 team didn't lose a game (apart from against our year 8/9 team!) and our Year 8s and 9s won the whole tournament - a fantastic achievement especially considering we only had 5 players and the other teams all had 7!

Table Tennis #TeamPE

Brighton Schools Tournament

Well done to Damon Brown, Jensen Kemp, Henry Taylor and George Jarvis who represented Longhill at the U13 Brighton, Hove and Portslade Schools Table Tennis tournament at Patcham. It was a highly competitive event, played in two pools. The Longhill team just missed out on the bronze medal match but great play and fun was had by all; well done.

Dance @Longhill

We have a new member of staff who is leading and bringing her style to the dance department. She is called Miss Downing and is an outstanding dancer with experience in teaching boys and girls of all ages.

Her club which runs on Fridays has started really well with great numbers across year groups. If you are interested in attending make sure you come along on a Friday from 2:45-4pm

PE Kit #TeamPE

Please can you ensure all PE Kit has correct names labelled inside in case items are lost?

Inter House #TeamPE

With the formation of the new house system we are looking forward to seeing the new teams taking part in our inter house programme. The first sport is Dodgeball and will take place during the last week of November after school.

All mentors will be given signup sheets and more information when we come back from half term.

We look forward to seeing the winners in November.

PERFORMING ARTS NEWS

Exciting Music Clubs #TeamMusic

All music clubs have started up this half term.

We are looking for as many new faces as possible to come and get involved in our clubs. Don't worry if you have never been before just come along and get involved.

On Tuesday from 2:45 – 4pm we have our amazing rock club and during Friday lunch time we run a Year 7 and 8 choir.

It would be great to see lots of new faces there. Students are welcome to join anytime, just come along to the Music room. If you need any more information please speak to your music teacher.

Glyndebourne #TeamMusic

Music students from years 10 and 11 have been offered the chance to go and see the opera 'Cosi Fan Tutti' at Glyndebourne. This is a wonderful opportunity for our students and this will be happening on Wednesday 11th October.

Year 11 Play #TeamPA

This year for the first time the Drama Department are also putting on a year 11 play. The play is called 'Mum, I love you' and is a really heartfelt story. The performance isn't until January so details will follow in the next Newsletter.

Christmas Stuffing #TeamPA

In September we held auditions for the new Xmas panto 'Christmas Stuffing' which is an original panto written by our very own Bill Holland. Rehearsals have got underway and it is set to be the funniest panto yet! It's fun for all the family! Tickets will go on sale after half term and the panto will be performed on December 12th and 13th so put those dates in your diaries!
