Aim:

- To ensure that assessment methodology is valid, reliable and does not disadvantage or advantage any group of learners or individuals
- To ensure that the assessment procedure is open, fair and free from bias and to national standards
- To ensure that there is accurate and detailed recording of assessment decisions.

In order to do this, the centre will:

- ensure that learners are provided with assignments that are fit for purpose, to enable them to produce appropriate evidence for assessment
- produce a clear and accurate assessment plan at the start of the programme/academic year
- provide clear, published dates for handout of assignments and deadlines for summative assessment
- assess learner's evidence using only the published assessment and grading criteria
- ensure that assessment decisions are impartial, valid and reliable

- maintain a robust and rigorous internal verification procedure
- provide samples for standards verification as required by the awarding organisation
- monitor standards verification reports and undertake any remedial action required

- before starting an assessment, the tutor will ensure that each learner understands the:
 - assessment requirements
 - nature of the evidence they need to produce
 - importance of time management and meeting deadlines.
- once the learner begins work for the assessment, the tutor will not:
 - provide specific assessment feedback on the evidence produced by the learner before it is submitted for assessment
 - confirm achievement of specific assessment criteria until the assessment stage.
- only one submission will be allowed for each assignment. The assessor will formally record the assessment result and confirm the achievement of specific assessment criteria.
- each learner must submit:
 - an assignment for assessment which consists of evidence towards the targeted assessment criteria
 - a signed-and-dated declaration of authenticity with each assignment which confirms they have produced the evidence themselves.

- formally record and confirm the achievement of specific assessment criteria
 - complete a confirmation that the evidence they have assessed is authentic and is the learner's own work.
- the assessor will not:
 - provide feedback or guidance on how to improve the evidence to achieve higher grades.
- it may be appropriate for the Lead Internal Verifier to authorise one opportunity for a learner to resubmit evidence to meet assessment criteria targeted by an assignment.
- the Lead Internal Verifier will only authorise a resubmission if all of the following conditions are met:
 - the learner has met initial deadlines set in the assignment, or has met an agreed deadline extension
 - the tutor judges that the learner will be able to provide improved evidence without further guidance
 - the assessor has authenticated the evidence submitted for assessment and the evidence is accompanied by a signed and-dated declaration of authenticity by the learner.
- if a learner has not met the conditions listed above, the Lead Internal Verifier will not authorise a resubmission.
- if the Lead Internal Verifier does authorise a resubmission, it must be:
 - recorded on the assessment form
 - given a deadline for resubmission within 10 working days* of the learner receiving the results of the assessment [* the 10 working days will be within term time, in the same academic year as the original submission.
 - undertaken by the learner without further guidance.
- retakes of internally assessed units are therefore not available to learners studying BTEC Firsts and Nationals on the NQF.
- ensure that BTEC assessment methodology and the role of the assessor are understood by all BTEC staff
- provide resources to ensure that assessment can be performed accurately and appropriately.
