16 June 2021

Dear Parents and Carers,

Sadly, due to the new developments announced on Monday by the Government in regards to Covid – 19 and following guidance from the local authority we have taken the decision to cancel our new Intake Evening on the 1st of July and new Intake Day for Year 6 on the 2nd of July. This is due to restrictions still in place and the school wishing to ensure that the transition process is carried out as safely as possible for everyone involved.

Please do not worry that you are not able to visit us on site, all of the information that would have been provided for you can be found on our website.

There will be an online Parents' Evening, with an opportunity to meet the mentors. This will take place in July and we will send out all details prior to the day itself.

On our website, you will find videos, documents and information for parents and students to read. There will be updates arriving on this webpage over the coming weeks, with additional videos for you to watch, including mentor reveal videos released in July.
