Dear Parent/Carer

**Year 6 Longhill High School Open Evening Information**

I am extremely excited to invite prospective parents and Year 6 students to our Open Evening on Thursday 30<sup>th</sup> of September 6 – 8pm.

To ensure there is not a large gathering of people indoors, we are planning our evening differently to previous years. We are asking all parents to book a time slot and we please ask that only prospective parents and students of Year 6 attend. We have made this decision to keep our community safe as we are still facing challenges regarding Covid.

During the evening you will be able to look around the school where you will see all of the opportunities there are here for your child. There will be displays of students' work and a variety of exciting activities for your child to join in with. You will also have the opportunity to speak to our students and staff who are willing to answer any of your questions.

Ms Williams, Headteacher will be giving a 10 minute short talk at the start of each slot in the main hall to reduce the size of the gathering. You will then be taken on a tour by one of our students.

We are asking parents to book a slot for the evening so we can try to avoid large amounts of people arriving at the same time, once a slot has reached capacity it will be closed.

To book a slot for our open evening please follow the link here:

Finally, to reduce the risk of community transition we are asking adults to please wear a face mask when walking around the building.

Kind regards
