Dear Parent/carer

Mass COVID Testing Tuesday 4th January 2022

I hope that you are all staying safe and are well. I write to inform you that Longhill High School has been asked to carry out Mass Testing once again for students as they start school in January.

Please complete the consent form for your child to take the test when they return to school using the link below. If you have already completed this form for your child to previously be tested at school, you do not need to recomplete.

Students will test themselves using a Lateral Flow Test, supervised by school staff. This will occur during the school day on Tuesday 4th January.

Symptoms and self-isolation

As always, following NHS and government guidance, any student that experiences symptoms of coronavirus please do not attend school, self-isolate and get tested.

We are very much looking forward to welcoming our students/ your children back to Longhill High School.

Take care

Kate Williams

Headteacher
